THE CHILHOWEAN

PUBLISHED BY THE
JUNIORS OF
MARYVILLE COLLEGE
MARYVILLE, TENNESSEE

MARYVILLE

for the year

nineteen hundred

and fifty-nine

COLLEGE

Come with the CHILHOWEAN, "through these gates" to the college that is building and expanding—the college we come to for . . .

SPIRITUAL

. . . to the parish and missions where we gain practical experience, to the churches and Sunday schools where we learn to serve, to the chapel and prayer meetings where we grow in insight and devotion.

GROWTH

MENTAL

. . . to the library, the classroom, and the laboratory where we are disciplined and encouraged by our professors—

where we study music and art, chemistry and physics, French and German—

where we learn to think through the ideas of the ancients and to create ideas of our own.

TRAINING

SOCIAL

LIFE

. . . to the dance floor where we grow in poise, to the theatre where we lose ourselves in unrealities, to the dining hall where we meet and talk to everyone.

PHYSICAL

. . . to the gym floor where we learn teamwork, to the ball fields where we relax and play, to the stadiums where we practice sportsmanship.

DEVELOPMENT

IN

MRS. BONNIE HUDSON BROWN

To say we loved them is to be obvious; to say we'll miss them is inadequate. Yet what else can we say? We'll say we lost a piece of Maryville when they died, but how can we when so much of what they meant hangs in the air, the way love does at Christmas time. We'll say that nothing is the same without them, but how can we when nothing has been the same since they came to Maryville.

What they possessed and imparted to all that came into contact with them lives long after death. And so we'll say,

DR. HORACE EUGENE ORR

MEMORIAM

". . . Sleep on, O brave-hearted, O wise man,
that kindled the flame—
To live in mankind is far more than to
live in a name;
To live in mankind, far, far more . . .
than to live in a name."
Vachel Lindsay

DR. VERTON M. QUEENER

Mrs. Brown received her B.A. from Maryville and her M.A. from the University of Tennessee. She was on the Maryville faculty for nearly twenty years beginning in 1929.

Dr. Orr, also a graduate of Maryville did further studying at Lane Theological Seminary, from which he graduated in 1915. In 1924 he received his M.A. from the University of Tennessee, and in 1926 was presented with the Honorary Doctorate of Divinity degree by Maryville College. He served on our faculty from 1920 until the time of his illness in 1958.

Dr. Queener graduated also from Maryville with a B.A. In 1939 he received from the University of Tennessee his M.A. and then took his Ph.D. at Indiana University in 1940. He began teaching here in 1927 and served for twenty-one years.

Dr. Ralph Waldo Lloyd, B.A., B.D., D.D., LL.D.

P R E S I D E N T

A large number of our memories of Maryville will be those concerning Dr. Lloyd. A man of distinction and experience, Dr. Lloyd is nationally known for his leadership in church affairs and more especially in the ecumenical movement.

In the twenty-eight years that Dr. and Mrs. Lloyd have been at Maryville they have seen and promoted amazing growth and expansion. Our campus, though changing little in enrollment, has developed greater facilities to better educate our seven hundred students. The faculty has swelled their ranks by twenty-seven members, while the number of curricula offered has increased from nineteen to twenty-five. Our library has doubled its number of volumes, going from thirty thousand to nearly sixty-one thousand volumes, making it one of the largest college libraries in Tennessee. To the casual visitor the expansion is evident in the number of buildings which has increased by five since 1930, the newest of course, being our women's dormitory which will be completed sometime in the spring of 1959. Those who attended the opening house at Carnegie Hall were impressed by the extensive renovations that took place this summer in the men's dormitory. The spring will also bring the remodeling of McLain Memorial Hall which will be converted for use by the men.

With a past to be proud of, Maryville and the Lloyds look forward to an even better future.

DEANS

FRANK D. McCLELLAND, B.A., M.S., LL.D.
Dean of the College

Dean McClelland is a personage on campus recognized by all yet known by few. Though his duties, which are largely administrative, provide few opportunities for personal contact with the student body, he knows us as well as any other person on campus. Those of us who do become acquainted with him will remember his sympathetic manner and willingness to help.

Dean Bushing, the newest at the game of "Deaning," is nonetheless equally capable of fulfilling his many tasks and of talking to the scores of men who come to his crowded little office for advice. His broad grin, wry sense of humor, and slightly uncombed hair are as famous in the classroom as in his office.

ARTHUR S. BUSHING, B.A., M.A.
Dean of Men

E. FRANCES MASSEY, B.A., M.S.
Dean of Women

One of our favorite people and best friends is Dean Massey. She can always be counted on for a word of encouragement or sound and practical advice. One of her duties is the tedious one of keeping the campus's social events running smoothly, a difficult assignment in a place where interests are so divergent. Her contagious smile has undoubtedly helped her through many a ticklish situation.

FEATURES

MISS BARBARA DAVIS

Barb, our choice for the Woman of the Year, is known everywhere by her quick smile and sultry voice. She's recognized for her leadership ability that comes from her clear vision and unfailing tact. Her four years here have been filled with activities, culminating in the presidency of the Y.W.-C.A., a job that takes a lot of know-how and hard work. Besides all this she's a lot of fun.

WOMAN OF THE YEAR

MAN OF THE YEAR

MR. JOSEPH TROPANSKY

Joe Tropansky, better known to his legion of friends as "Trop," is a perfect choice for the Man of the Year. His participation in both varsity and intramural sports, Pre-Mins, and Kappa Phi have gained for him the reputation as being a talented, all-round guy. This year he was chosen as President of the Y.M.C.A., a big job taking a lot of time and effort, well done by a capable person.

NELSON AND NEAL

This year's Maryville College-Community Artist Series has presented a thoroughly enjoyed comic opera and will present in the Spring two more highly anticipated programs. **Candide** starred Robert Rounsville, Irra Petina, Martyn Green, and a local girl from Knoxville, Mary Costa.

It was an adaptation based on Voltaire's famous satire, with music by Leonard Bernstein. The music, using dissonant harmonics and ingenious lyrics was the uniting factor in a play composed of many short scenes and using little scenery. Broadway at Maryville was a delight to all.

Second semester will bring Nelson and Neal, the famed duo-pianists in a combination program with Marjorie Lawrence. It will also bring a type of program completely new to this campus—jazz. Bernard Peiffer and his trio, a French group, are well known in jazz circles. In summation, the season's strong point will be its appeal to a wider range of taste.

FEBRUARY MEETINGS

"One of the great pleasures which come to me is to have former Maryville students stop me on the street and say, 'I was at Maryville in 195? when you played the piano.' . . . Barre." Any one who's been at Maryville and experienced more than one February Meeting knows the anticipation and eagerness to renew an old friendship that precedes each meeting.

Nineteen hundred and fifty-nine is the 83rd year that the Meetings have been held. Two of the students' favorites were back once again: Dr. Barraclough, or Barre, at the piano, and Dr. Magill for the sixth time as song leader.

The speaker this year was Dr. Joseph Copeland, pastor at the Second Presbyterian Church in Knoxville. Though none of the present college generation may have heard him, he too is an old favorite since he spoke here in 1954.

DR. HENRY BARRACLOUGH

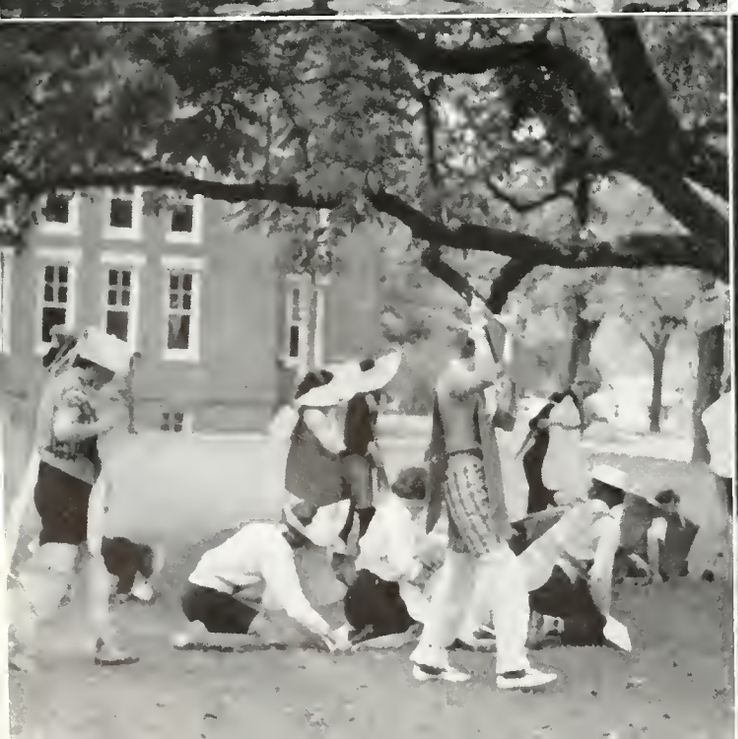
RUSH

Everything from lovely Southern Belles to egg-hatching cavemen peopled the campus during Rush Week paying homage to Chi Beta and Kappa Phi. The theme "New Orleans" was carried out by campus decorations showing typical New Orleans' scenes such as an outdoor cafe, the Dueling Tree, the Mardi Gras parade, and an outdoor art exhibit. The show, written by Dave Morris, starred Zona Gogel, and Bob Davies, an eloping couple who went to New Orleans to see the Mardi Gras. There they met the girl's parents, Gloria Evens and Doug Bunker. Complications ensued.

The initiates were entertained by the two societies in the Intramural gym and later repaid the members with all manner of menial tasks, ranging from book carrying and song singing to the night time hazings that were held in the woods and downtown.

All this activity was under the capable direction of co-chairmen Lin Snider, Susie Fagan, and Carole Black.

ΧΒ + ΚΦ



ΘE + AΣ

The Roaring 20's hit Maryville once again, this time sponsored by Theta Epsilon and Alpha Sigma. With the girl initiates dressed as flappers and the boys in their traditional suits and burlap underwear, the entire campus was taken back to the days of the black-bottom and the Model T. On campus they had hula-hopping, an antique auto show, and a splash party, while at the show "Anything Goes," anything went.

It was truly a wild show with George Stewart as M.C., Marianne Braidwood as a sleepwalker, and even a visitor from the past—Charlie Chaplin. Everyone participated. One lucky freshman girl was presented with a door prize and Dean Bushing, a ham at heart, gave a rendition of "Daisy."

The organizers of this mass chaos were George Stewart and Gary Davis, Ruth Wagner and Gray Clark.

WEEK

HOMECOMING

This year's annual Homecoming celebration was centered around the theme "Song Titles." This event sponsored by the Alumni Association and engineered by the student Pep Committee, brings to the campus many alumni who join with the students in enjoying the parade, the football game, and after-game dance.

In the parade there were eight floats contributed by Y.M.C.A. and Y.W.C.A., I.R.C., Baldwin, Memorial, and Pearsons Halls, Kappa Phi, Chi Beta, and Alpha Sigma-Theta Epsilon. The winning float was Kappa Phi's with the Y's taking honorable mention.

Also participating in the parade were the Highlander Band, the cheerleaders and such dignitaries as Dr. and Mrs. Lloyd, Mr. Lamon, president of the Alumni Association, our Queen Miss Mary Murphey and her attendants Miss Judy Cummings and Miss Nancy Jones.

"It Happens Once a Year," an original script by Marianne Braidwood, under the direction of Ron Lind was the year's hilarious Barnwarming Show. An annual event sponsored by the Y.M. and Y.W., the show is presented in the Alumni Gym on Thanksgiving night.

The plot involved an ideal seeking girl, Mary Hope Stewart, engaged to a wealthy but stuffy young man, Steve Miller. Her ideal, who appeared in several dream sequences, was played by Bob Shultz. Other notable performances were those of Peggy Reiter, who played the slangy, scatter brained girl friend and Doug Bunker playing the raging and ranting manager. The dancers, thanks to Rosemary Lee's choreography, performed ably some very original numbers. A happy choice of music had the campus humming for days, especially the opening number "This Is My Once a Year Day."

THE STUDENT COUNCIL

OFFICERS

DON NEWROTH . . . . . President

GRAY CLARKE WILEY . . . . . Vice-President

JOANN WYMAN . . . . . Secretary-Treasurer

The Student Council is a body of campus representatives chosen to represent the students in the government of the Maryville College student body. The members consist of the Presidents of each of the classes, four representatives from the Freshman and Sophomore classes and five representatives from the Junior and Senior classes. Also included in the membership are the President of W.S.G.A. and the Chairman of M.S.C. The President and Vice-President of the student body are President and Vice-president of Student Council, being elected by the student body.

The objectives of the Council are to cooperate with the administration, faculty and students in administering the major policies of Maryville College. They are to represent the views of the student body and to promote matters of student interest. They are also Maryville College's representatives in the eyes of neighboring colleges.

Student Council meets every Wednesday evening in the Y-rooms to discuss the current affairs of the student body. Through cooperation with the Student Faculty Senate the Council regulates and enforces agreements made with the Executive Council of the Faculty. More specifically the Student Council is in charge of initiating and conducting all campus-wide elections. They sponsor many social events and are the controlling body behind the Town-Night Agreement. It is their duty to suggest needed changes in the regulations and to maintain strict obedience of these regulations.

The Council is a vital part of our life, working constantly for our benefit, it deserves all the support we can give it.

WOMEN'S STUDENT GOVERNMENT ASSOCIATION

OFFICERS

MARY ANN PHIPPS . . . . . President

CAROLYN GASS . . . . . Secretary-Treasurer

The Women's Student Government Association is made up of two representatives from each class whose job it is to provide limited self government for the girls. Its realm of jurisdiction lies within the dormitories where House Committees keep order and report infractions of W.S.G.A. rules.

A very valuable function that it performs is that of keeping the existing rules up to date by suggesting changes. The organization works closely with the Student Council and the Administration on such matters as the granting of Junior and Senior privileges and the maintaining and enforcing of the campus sign out system. The coordinating council of W.S G.A. has the special duties of advising House Chairmen in dormitory problems, exercising general jurisdiction over matters of discipline and withdrawing privileges for violation of the regulations.

MEN'S STUDENT COOPERATIVE

DAVE MORRIS
Chairman

OFFICERS

DAVE MORRIS . . . . . Chairman

FRED TEPPER . . . . . Secretary-Treasurer

The Men's Student Cooperative was formed just two years ago. All men who reside on campus are members and its purpose is to establish and maintain an orderly dormitory life. It is composed of fourteen members, one representative from Bartlett, the other thirteen being from the four floors of Carnegie. The Chairman and Secretary-Treasurer are selected by this group from their own membership.

These men serve as an active voice of the men in general. They serve as a body in which ideas and suggestions may be reviewed and if desired recommended to the Student Council or Administration.

By forming a link between the men and the college it is hoped that a spirit of responsibility will be established on the part of the entire male student body.

P L A Y E R S

Maryville Players are one of the most vigorous groups on campus. They work in the theatre part of the Chapel which has been cited by "Theatre Arts" as being exceptionally well equipped. Those who work in the department can, through the accumulation of points, earn the ranks of journeyman, player, or master player. The highest goal is election into Theta Alpha Phi, the national honorary drama society.

This year the group will undertake four major and several experimental productions. The first major production, traditionally given on Thanksgiving weekend was Tennessee Williams' **Glass Menagerie.** Second semester will bring the Broadaway Musical, **Oklahoma,** in conjunction with the Glee Clubs; **School for Husbands,** a Restoration comedy; and ending the season with the Commencement play, **The Madwoman of Chaillot** by Giraudoux.

In the experimental plays we've seen readings from "John Brown's Body" and "Ario Da Capo," a one act play by Edna St. Millay. Presented with Ario were several dance studies originated by Mr. Lane, and performed by the Dance Workshop In the spring we shall witness some more of Mr. Lane's creative efforts in the form of a musical which he has written called, **Song of a Dozen Days.**

Maryville College has always been proud of her band in their distinctive kilts and sparkling white spats, but this year we've had special cause for this pride. Under the direction of Mr. Bernard Linger, new to our campus, the Band stepped out in a style that made us all swell a little with pride. With new arrangements, new music, and most of all new smartly executed formations the improvement was astounding. The Highlanders marched in the Homecoming parade, played at six games, and will give several concerts in the spring.

On the field this year, under the baton of the Drum Major, Dan Ellis, the band tried and successfully performed all manner of formations—even droodles. To the surprise of their director the band closed the last half time show of the year with a tribute to Mr. Linger.

HIGHLANDER BAND

ORCHESTRA

Another aspect of Maryville's somewhat extensive cultural program is the orchestra, this year under the direction of Mr Bernard Linger. Composed of faculty members, students and individuals from the community it is slowly becoming a College-Community enterprise. Their schedule consists of a concert each semester and, of course, the home performance of the **Messiah.**

Though it is one of the least heard from groups on campus, there has been a renewed interest shown and we are looking forward to gradual improvements and even better seasons.

June Conerly, Sarah Shelley, Nancy Paul, Ann McLeod, Nancy Jones: head majorette, Carolyn Gass, Ann Stephens.

NANCY JONES . . . . . HEAD MAJORETTE

Inspired perhaps by the new life in the band, the majorettes stepped lively this year adding color and appeal to the half-time events. The girls are selected, after try-outs, by the band and its director. Then they set to work practicing old routines and perfecting new ones. A memorable addition to their performance this year, was the routine done on a darkened field with flaming batons. The two talented lasses who performed this exciting stunt were Ann Stephens and Ann McLeod.

Accompanying the band to five home games and one away game, at Carson-Newman, the girls marched often, as did the band, in rain and mud.

VESPER CHOIR

The Vesper Choir, under the direction of Mr. Harter, has long been the outstanding organization on campus. Its reputation as a top ranking choir is nation wide and is achieved by the hard work of all. The standards of performance are kept high through rigorous tryouts, and constant practice. The music to be performed is chosen from nearly every period of music history, ranging from 16th century works, by Palestrina to the works of such modern composers as Aaron Copland and Arthur Honegger.

In addition to singing at Vespers nearly every Sunday evening the choir also forms the core of the Messiah chorus and does various guest appearances during the first semester. The second semester finds the choir focusing its attention on and efforts toward the annual choir tour. But along with the work the choir has fun. The annual Christmas party, their hilarious initiations, and the feeling of enjoyment that radiates from them when they sing proves that there are ample compensations for the hours of practice.

The Men's Glee Club and the Women's Choir are two separate organizations under a single director, Mr. Dan Kinsinger. Their purpose is to sing and have a good time at it.

Both organizations sing at Vespers in the absence of the regular Vesper Choir. However their biggest joint undertakings are the "Fall Sing" and the operetta, both of which are anticipated and enjoyed by the entire student body. This year the Women's Choir and Men's Glee Club will be working directly with the drama department in the production of the Broadway musical **Oklahoma.** This will be the first time that both departments have cooperated fully in a single production.

On December 7, 1958 over two hundred voices joined together to present Handel's "Messiah." This is one of the great traditions of Maryville College. It was the twenty-sixth presentation of "Messiah" directed for the tenth time by Mr. Harter. The performance is a combined effort of the Vesper Choir, the Women's Choir, the Men's Glee Club, the college Orchestra and others from the campus and community who wish to participate.

This year in addition to the traditional performance on campus, the chorus was distinguished by being invited to sing with the Knoxville Symphony orchestra under the direction of Dr. David Van Vactor. This performance was presented very successfully on the evening of December 9, 1958.

This year many new solos were heard in the presentation and all were done with great success. The setting in the chapel was conducive to the combination of the orchestra, chorus and organ. The entire performance was inspiring for the audience as well as for the members of the chorus and orchestra.

ART ACTIVITIES

"Three thousand slides to memorize between now and April," is the lament of the senior art major as he looks forward to comps. And this is no exaggeration for art courses at Maryville demand a lot of hard work. Both majors and non-majors study art history and theory along with the practical experience they get in such fields as ceramics, sculpture, oil painting, watercolor and graphics.

For the enjoyment of the rest of the student body the department presents several and varying exhibits each semester. This year, in addition to the annual students exhibitions there were such things as a display of ancient silks and tapestries from the Orient, a Japanese print display and sale and lithographs by contemporary women artists.

Chi Beta is one of the two women's societies on Maryville campus. It is the sister society of Kappa Phi and combines with them in numerous activities of the school year.

This year Chi Beta joined with Kappa Phi and very successfully presented "Way Down Yonder . . ." for the Rush Week Skit. Skit night, the Powder Puff game, and other activities furnished the members of Chi Beta ample entertainment for the year.

This year Theta, joining with their brother society Alpha Sigma brought about a revival of the Roaring 20's, getting Theta's year off with a bang. The next big item on the agenda was the jointly sponsored full formal, "Christmas Cotillion." In between they held back the Chi Beta's making the Powder Puff game scoreless, and had their weekly meetings usually accompanied by a program and entertainment.

The Young Women's Christian Association, affiliated with the national Y.W.C.A., is one of the largest and most influential organizations on campus. Its underlying purpose is to serve the Christian needs of the women on campus.

The scope of the Y.W.'s interest ranges from selling ice cream in the Y-Store to providing recreation for the children at the Home Avenue and Sunnybrook Missions. It joins with the Y.M. in bringing us the Artist Series, Y-Radio, the M-Book, Barnwarming, and many other worthwhile entertainment and service programs.

The Young Men's Christian Association plays an important role on our campus. It furnishes us with many of the outstanding activities of the year and helps fulfill the Christian needs of the men of Maryville College.

Throughout the year we find Y.M.C.A. joining with Y.W.C.A. to bring us the Barnwarming Program, the Fred Hope Fund Drive, all campus prayer meetings and other activities. Many committees work behind the scene to bring us the Artist Series, Y.-Radio, M-Book and other prominent features of our campus life. Every spring a retreat is sponsored by the Y.M. and is participated in by the Y.M. and Y.W. cabinets, the Nu Gamma Leaders, and the Ten Key Men. It is a time for evaluation and planning for the next year.

One of the first persons an incoming freshman or transfer girl meets is her Nu Gamma Leader. The fifteen Nu Gamma girls are chosen for their friendliness and ability to give real assistance to the incoming girls. They begin their campaign to make the new girls feel at home by writing to them during the summer, answering all manner of questions. The fall brings tours of the campus and general acquainted activities. The freshman girls are escorted by their Nu Gamma Leaders to such functions as the college sing, the first joint Y.W. and Y.M. meeting, the tea at Morningside and in the second semester, a Hen Party progressive form from dorm to dorm. They are on call at any time of the year, helping the girls make the most of campus life.

They function separately and as a group in the field of freshman guidance and orientation. Taking charge of the Big-Little Brother program, it is their job to see that every incoming freshman boy has a big brother to help him through the first weeks. The program begins with the writing of letters to the boys during the summer and in the fall advising and helping in any way possible. One of the high spots in the first chaotic weeks of college life is the Watermelon Powwow sponsored by the Ten Key Men.

It's the tradition for the Editor of the yearbook to include on the staff's page a description of the time, toil and tears that went into the book. It's also the tradition to line the staff up for the picture, wearing heroic "It was a lot of work, but we made it" expressions. This year we tried to be a little more graphic in our presentation of the work behind the book. It's fun!

It takes time. Lots of it. And it's work especially when you're fighting a recession in interest. This recession, the same one that put the Echo out of commission for a semester, had little to do as far as we could see with a money shortage. So on the assumption that you weren't interested because you weren't getting what you wanted, we've made changes and what we trust are improvements in the hopes of stirring up more enthusiasm for school publications.

I won't attempt to name all the others not pictured who helped on the book, but we do owe special thanks for much of the layout work to the Benson Printing Company and to Mr. Layman our faculty advisor for his encouragement and guidance.

Again, speaking in behalf of the staff, I want to say—it was fun.

The Highland Echo, Maryville College's bi-weekly newspaper, was published second semester after a silent first semester. **The Echo** is a student publication which gathers news concerning the life of students and the College; it is financed with funds from student activities pool and by advertising. Through news, features, creative pieces, and editorials, the **Echo** both reflects and molds student life and activities. The newspaper is written and edited by students with journalistic interests, and is open to all who have such interest and show capability.

The Writer's Workshop composed of both faculty and students has as its goal the encouragement of creative writing here on campus. Its membership is limited to twenty-five persons who attain membership by submitting manuscripts for appraisal. Each member, in addition to writing a creative piece of his own, is required to review and criticize someone else's work, once each semester.

The Art Club is not really a club for it has no officers or dues. It is instead a friendly, informal group of art students who meet once a month, usually at Mr. Beard's home for fun and refreshments. Though they have no definite program, members are required to attend the art exhibits and lectures, and at different times during the year have special programs at their meetings. The highlight of the year is the picnic which they hold each semester in the mountains.

Though it rained most of the time and they were up to their ankles in mud, our cheerleaders never once looked discouraged. Cheering the team through a disheartening season were four men and women chosen by the student body from nearly thirty candidates. Their duties do not end with the football season, for they will be found in the Alumni Gym cheering our basketball team on to victory.

The Maryville College football squad lost every game they played during the 1958 season. Many of these games were lost by large scores. There is no doubt that they fought hard in each contest. They gave each opponent the best fight they could at the time. They practiced hard; they fought hard. They

IN ACTION

did the best they could. What more can be asked of anyone?

The fault, if there is a fault, cannot be placed on one thing or one person. The team was handicapped before it ever walked on the field. Maryville College does not offer athletic scholarships, and for this reason the other schools attract the better players. Secondly the athletic program does not operate on as large a budget as most of the schools we play. Although money does not count on the field, it does directly influence the number of teachers and coaches and the amount of time they can spend on each aspect of the program.

These two handicaps have hurt the team seriously over the past ten years as football has gradually become a big-time competitive sport. Scholarships and adequate funds have become necessary if a school is to compete equally with other schools. For these two reasons the Maryville squad was actually playing teams that did outrank them. It is not good

JOHN HAWKINS
Co-Captain

for any team to lose every game they play. All the spirit and morale can easily slip away under such conditions, but it is encouraging that the fellows never stopped trying no matter what the odds were, before or during the game, and if the team continued to learn during each game, nothing was really lost except a score.

Though we have looked mainly at the darker side of the season so far, there are many bright things to look at in the 1958 season and the seasons to come. As a whole, the squad played some very good ball. Various individuals on the team played some excellent games. Dan Greaser, a quarterback from Alcoa, Tennessee, was given honorable mention on the Little All American Team. Many of the boys on the team this season are freshmen, sophomores, and juniors who will be around a year or more with a little practical experience under their belts. This will certainly aid the 1959 season.

I am sure the whole school will echo these words to the 1958 Maryville College football squad: "Good try this season, team. Good luck for next!"

Earl Smith receiving award of "Most Valuable Player"

Each year at the annual football dinner along with presentation of the letters two players are selected for special honors. They are The Most Valuable Player, and The Most Improved Player of the year. The Most Valuable Player is picked by his teammates by secret ballots and kept secret until the night of the dinner. The honor this year went to Earl Smith, a senior from Alcoa, Tennessee, who plays right half back. The most Improved Player may be anyone on the squad and is chosen by the coaches for showing the most improvement over the season. This year the award went to Dave Cost, a freshman from Glenside, Pennsylvania.

The 1958-59 basketball season got off to a running start with Coach Davis promising a better show than that of the gridiron. This year's squad is a young one with potential. There are six lettermen who returned, however, none of them are seniors. Three of the freshmen who, according to Coach Davis, are shaping up real well are Bill Coffield, Clyde Flanagan and Lynn Webb while another freshman, Bob Carpenter, is a starter. Also starting are sophomores Bill Owenby and Neal Wormsley with two more sophomores, Bill Crisp and Gayle Ferguson, alternating in the opening position. Tom Morris, who last year was the top scorer among the East Tennessee small college stars, is the only junior on the team. Last year he averaged 23.5 points per game and has so far this season been averaging close to 20 points.

Wrestling is another sport in which Maryville has been able to hold its own with schools that are far larger. Auburn has over eight thousand students, while both Appalachian and Chattanooga are over twice our size.

With the season nearing completion, we find freshman Larry Robinson as high scorrer, senior Wendell Huffstetler running a close second, and Bill Hartman and Don White, both sophomores, following closely behind them.

Next year's squad will have the experience of such promising freshmen as Bob Riddle, Don Elia, Dave Campbell, and Fred Findeisen.

Last season under the leadership of Coach Lombe S. Honaker, the Highlanders came thru with another winning season. Knocking off some of the area's leading teams, the boys ended up with a 10-4 record. Showing a fine team spirit and a tremendous desire to play baseball, the team became recognized as one of the leading college teams in Tennessee. Success of the team is credited to a strong defensive unit and a group of fine batters.

Among these hitters were a host of seniors led by Bill Evans with a .432 average. He was followed by Earl Lawson, .340, Jack Woodhull, .271, Bob Beam, .250 and "Flash" Harris, .229. Underclassmen setting the pace were Mike Talley with a .357 average and Bill Owenby boasting a .326 average.

Defensively the Scotties were paced by Don Hill in left field and John West at third base. The pitching staff was bolstered by seniors, Max Williamson (2-2) and Earl Lawson (4-0) with Bill Aring and Gordon Gilreath giving support in relief.

Rain having cancelled out all but two meets the 1958 track team could only give a hint of its potential power. In the first meet they were edged out by Chattanooga, placing in nine out of the fifteen events. Undaunted, they then vaulted over Tusculum with an 18 point victory, the Highlanders winning eleven of the fifteen events. Outstanding, were such men as Don Vandenberg, a senior, who was high scorer with 23¾ points while Bryson Struse, a freshman, ran a close race with a total of 23 points.

Notable also were John Kelly at the discus and shot-put, Tom Morris who ran the low hurdles, Joe Williams on the mile, and freshmen Karl Diller, Bill Hartman and Mike Ducey.

The 1958 Tennis season was not as good as it might have been, the team losing seven and winning only three of their matches. The biggest cause being the excessive amount of rain last spring which made practice impossible on the clay courts. This year we are looking forward to a better season, even though the loss of such senior players as Stan Mont, Ted Engle and Bruce Lundberg will handicap the team, the newly cemented Baldwin court will provide many more practice hours for the boys.

Soccer is growing at Maryville! This year the team played four more games than last year and bettered their record by two games. Under the direction of Mr. Ainsworth and their co-captains Lee Chai and Chuck Herbert the team has shaped up enough that the athletic department has for the first time this year given the team its support.

There are several things working against the sport and they are the team's lack of an athletic coach and the lack of experience of the majority of the men. Playing against teams from U. T. and King College the men face teams composed of foreign students many of whom are from countries in which soccer, or a form of it, is the predominating sport, thus giving these teams much more trained man power.

The loss of Lee Chai, Chuck Herbert, Joe Williams, and Bill Aring will be a set back for next year's team but returning to the field will be Sophomore and Junior boys who proved their worth this year.

The Intramural Council is officially composed of the athletic chairmen of the societies, the captains of all participating teams, officials, and their faculty sponsor Mr. C. Fisher. Organizing and maintaining a full program of intramural sports for the men of Maryville is a big job.

Any organization may send teams. At present those who participate represent the two societies, the band, the Pre-Mins, and independent students.

Any boy who does not play on the respective varsity team is eligible for a particular sport. Some of the sports offered are softball, touch football, basketball and volleyball.

WOMEN'S ATHLETIC

Miss Emma Curtis, Sponsor
Donna Sarver, Chairman

The W.A.A. is the women's branch of the intramural program. They meet twice a week on Tuesday and Thursday. With Miss Emma Curtis as their sponsor the W.A.A. program has been redone: the Chilies and the Howies are no more. A lack of interest in the program caused the changes. This year the two women's societies, Chi Beta and Theta Epsilon are the chief opponents sending three teams each. Any girls who is a member of either of the societies is eligible to play. It is hoped that the already established rivalry between Chi Beta and Theta will spark a renewed interest in W.A.A.

Under the leadership of Dona Sarver, as chairmen of Women's Intramurals, and Judy Perov and Lou Lewis as Chi Beta's and

Theta's athletic chairmen the girls participate in such sports as basketball, track, ping pong, horseshoes, soccer and aerial darts.

To provide an incentive, tournaments are held and trophies awarded. In addition all the girls who participate earn points for the different activities. When they have a total of 400 points they may receive a M.C. monogram and are then invited to membership in the Women's M Club. Five Hundred points entitles them to a letter and membership in the M Club. The Three women who earn the most points in excess of six hundred receive a chevron.

With the emphasis on sportsmanship the girls have for their motto: "All for one and one for all. A winner never quits and a quitter never wins!"

THE MARYVILLE COLLEGE MAID SHOP

Maryville College is proud to have its name carried to many parts of the world under the label of the College Maid Shop. In war and peace, College Maid has served well the many individuals and agencies that look to her for nurses' uniforms.

The Maid Shop is a vital part of the Student Help program, but making money is not the only service to the college girls. Thru the use of shop equipment College Maids are able to make many of their own clothes and the clothes for others. The shop is proud of the expert seamstresses it has produced and many comments from satisfied customers attest to the value and efficiency of this training.
